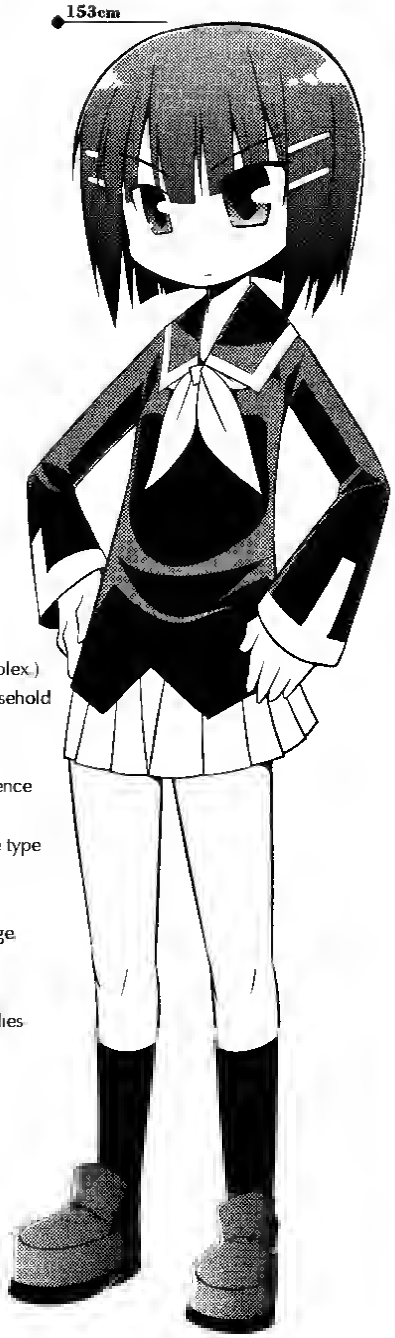
Ichinose Ichino



- Ichinose household's 2nd daughter
- Nickname is "Icchan"
- Her name originates from "Ichimatsuningyo". (TL Note on bottom)
- A middle-schooler in the midst of puberty
- Height is about 153cm
- Her chest size is just as you see it, she hasn't yet started her growth spurt (Since she's a bit smaller than other girls of her age, she has an inferiority complex.)
- A level-headed person who easily handles all the chores of the Ichinose household
- Because of her serious nature, she takes care of everyone
- Excels at schoolwork since she takes her studies seriously
- As a straightforward person, she is greatly troubled by Tonnura, whose existence defies logic.
- She inherited her mother's straight-laced nature, and so she is a no-nonsense type who won't easily back down
- Easily embarrassed. Embarrassing things are forbidden!
- She's quite affectionate of her elder sister, though she wishes she'd act her age.
- Of course, she is a very proper person who hates ecchi things
- She appears strong willed, but she really does have a soft side
- She is also the kind of nice older sister who will help Satsukino with her studies
- Has been neighbors with Tahiko-kun since childhood. They've both started puberty, so they have been avoiding each other.
- One of her hobbies is discreetly making cute doodles in her notes (However, she is too embarrassed to show anyone.)

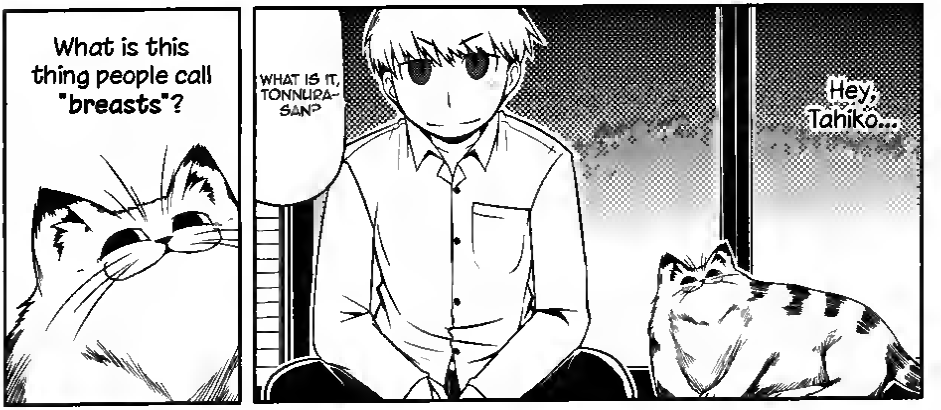
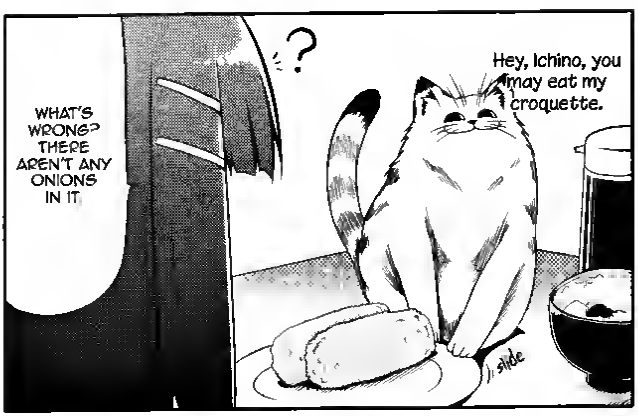
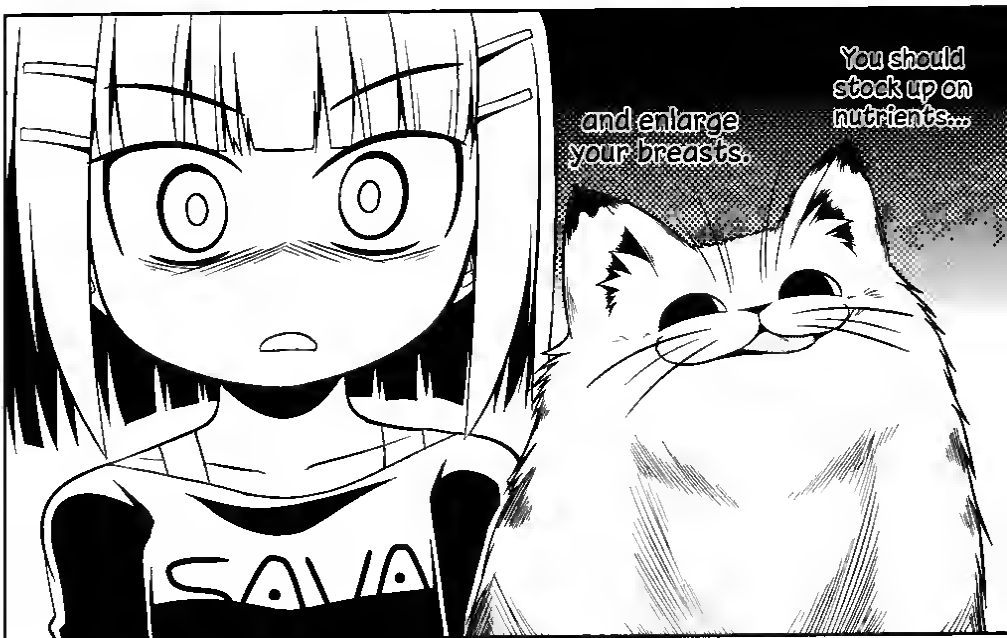
SATSUKI ALSO WANTS TO QUICKLY GROW UP!!

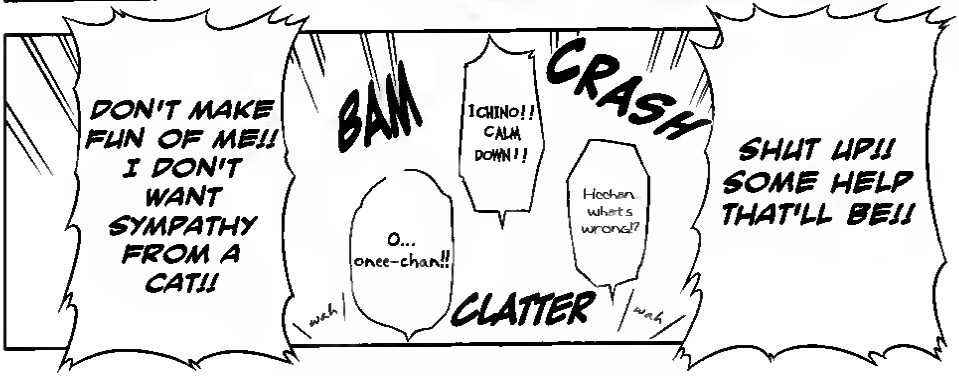


What is this thing people call "breasts"?
WHAT IS IT, TONNURA-SAN?
Hey, Tahiko...

IT'S A SACRED THING...







THE ICHINOSE HOUSEHOLD END

This is the end of my work's tankoubon, "Tonnura-san". Thank you everyone for buying it. To have come this far was truly an ordeal, but being able to finish it makes me truly happy. However, the Tonnura-san saga has only just begun. Wherever they may go, I think it'd be nice if you'll follow Icchan & co.

HOW SATSUKINO WAS BORN

What is it?
Celebi-san, I have a request...
↑Celebi
↑Tanabe-san
to make them into three sisters.
Please give Ichino a younger sister...
THAT'LL BE A CHALLENGE...!!
HAHA
SATSUKI, WHO DIDN'T EXIST IN THE INITIAL ONE-SHOT
WAS BORN AT TANABE-SAN'S REQUEST.
